### Viewers/Listeners Comments

We receive emails, letters and phone calls from people around Australia and overseas (even Iran) who are watching our 3ABN Australia programs on 3ABN International. Their comments are very encouraging. We’d love to hear from you too!

“I really enjoy your programs [3ABN NOW]. It is such a blessing to have 3ABN in Australia. I feel a kind of belonging with the Australian presenters. I would like to make a donation.” – NSW Phone call

“For your information we have had quite a lot of interest in the programs [3ABN Radio]. One of my committee members became a member of our church from listening to the [3ABN] radio. I took a phone call from a lady one Friday night and she wanted to get baptised. She has been watching 3ABN and is now baptised.

“One of our members is a doctor.... He has a patient that has trouble sleeping at night who

listens to our radio while he is "awake" during the night. I installed a station [at another location], and 2 weeks later I have received a request from a man who wanted some studies that [were] advertised. - New Zealand email

"I am ..., from Iran. I have been watching 3ABN TV since about a year ago. Thank you very much for your programs. I was interested in SDA, but had no idea how it could work in a real practical life. When I watched one of your programs 3ABN NOW, and wrote to your guest he kindly let me download his book freely. His book DID help me to know it really works!!..Since then I have been reading EGW writings. I have a wonderful story (testimony) about how I got familiar with SDA and how I was/am blessed by God. You have to forgive me that I can not write the details for the reasons you already know! Please keep me in your prayers!" - Iran email

### A Word From the Assistant General Manager

Special news! We now have our own radio station broadcasting from our building in Morisset. If you are in the local area of Morisset, Cooranbong, Bonnells Bay and surrounding areas **tune in to 87.8FM**. This is the only station in this area where you will hear our own local programming inserted amid the US Radio programs. We have some Radio affiliates in other areas as well. Phone our Radio department to find out where they are located.

We are currently filming a **new Sabbath School series** for 3ABN International. We are sure you will enjoy these refreshingly new programs. The series, with many familiar Australians, is called “Let God Speak” and is scheduled to start in April.

In January our production team once again travelled north to film the **Witness Conference** at Mt Gravatt Church. This series is now airing on 3ABN International and will also be included on the 3ABN Proclaim Channel in North America! See the TV program schedules to find the times. Contact 3ABN Australia to purchase the DVD set of this series.

The **3ABN Holy Land Tour** is on again in November this year. This is truly a trip of a lifetime and an unforgettable experience as you walk in the footsteps of Jesus and other Bible characters. It will forever change the way you read the Bible. For a brochure and further information please contact me at 3ABN Australia.
