3ABN Bible Enrichment Tour of Israel

The 3ABN Bible Enrichment Tour of Israel is planned again for November this year. This tour will enrich your understanding of the times and people of the Bible as you walk where they walked and gain an appreciation of the land itself where the events of the Bible took place. It will also enable you to pass this experience on to others to give them a greater understanding of the Bible and to increase their faith in the Word of God.

We hope you are able to join the tour this year as you will be greatly blessed and grateful for the experience. Please prayerfully consider this wonderful opportunity to tour with members of the 3ABN family from other countries. The cost should be around AU\$5,500.00 including tours, accommodation, food and flights, plus extra for personal spending, passports, etc. A deposit for the tour is required ASAP but the rest of the payment is not required until early October. Airline seats should be booked as early as possible before the cheaper seats are gone. This tour is open to anyone who would like to come.

For a tour brochure or more information, or to find out how to book your seat, please phone Rosemary at 3ABN Australia on 02 4973 3456. Or email her at 3abnaustralia@3abn.org.

Departmental Report - Healthy Living

I've just hosted the first 13 sessions of *Healthy Living* featuring Jenifer Skues, a Health Psychologist, and Dr John Clark, who shared powerful stories of disease reversal – like saying goodbye to diabetes after 30 years, recovering from kidney failure, stage 4 cancer, near-fatal heart disease, osteoporosis, obesity, and more.

And how did people achieve recovery? Be sure to tune in around September to find out, or you can watch them on demand from around that time. Visit 3abnaustralia.org.au and click the 'watch' button.

Be inspired to benefit from natural remedies that will give you supernatural results.

To your health,
Margot Marshall

Meet the Staff at 3ABN Australia

Peter Thomas: Peter is our Audio Engineer and a most important volunteer. He first became involved with us when he volunteered to help organise the audio needs for the new building. When that was completed he chose to stay.

Newsflash

Paul Kochanski's Daily Insights radio program began on June 2. Radio's flagship evangelistic program, The Bible Teaches, commences on Sunday, 7 June. Radio's The Children's Story Hour is expected to commence in June. Check schedules on the website for details.

3ABN Australia Comments

We receive emails, letters and phone calls from people around Australia and overseas who are watching our 3ABN Australia programs on 3ABN International. Their comments are very encouraging. We'd love to hear from you too!

"We enjoyed the story tonight [3ABN Now interview]. The story was so riveting and compelling that we sat in front of the TV with our tea on trays - some thing we haven't done before. It was so inviting. Also the following program "On the Road-in Australia" is so well done. Congratulations on both programs. We're proud of you all!" – Queensland email

"Sometimes 3ABN Radio goes off air for several days to even a month. But today I got it back and it was so good to hear this station again because, to be honest, I don't really want to listen to any other station but 3ABN. Thanks again for your email." – South Australia email

"I would just like to thank you for airing the exercise classes every morning, on behalf of my mother. She is almost 82, does the exercises faithfully every morning with your instructor, and feels that her strength and mobility are improving. As a physiotherapist myself, I am glad to see 3ABN providing this service, and am sure that there are a number of people who are using it." – email

Prayer Partners Needed

"... Pray for one another.... The effectual fervent prayer of a righteous man availeth much." James 5:16. "Pray without ceasing." 1 Thess 5:17 Would you like to partner with us in praying for people's needs? If so, please email us at mail@3abnaustralia.org.au and let us know.

A Word From the Assistant General Manager

We are already half way through 2015! Thank you for helping us do the work God has laid upon us to help spread His Gospel to the world. Your prayers and financial support are very much needed and appreciated, especially as prices get higher and more staff are needed.

Have you seen our new half hour Sabbath School program "Let God Speak"? It airs twice on Fridays and once Sabbath morning in our time zones. Pr Michael Browning, the host, discusses the week's Sabbath School lesson with other men of experience. For television and radio airing times you can phone or email 3ABN Australia. Many people have already told us that they watch this program every week and enjoy it.

The second season of "A Day With The King" has begun airing on 3ABN and we are sure you will enjoy it. Dr John Hammond recently returned from the UK and phoned to tell me a story. He was in Galway, Ireland on his final Sabbath away and went to the local church. He met Kevin, a 14 year old, who was excited to find Dr Hammond from "A Day With The King" in his church in Ireland, so far from Australia! Kevin never misses watching our locally produced children's program. His mother said he loves it and especially enjoys Dr Hammond's story time. Dr John was amazed to find a young man on the other side of the world who recognised him from TV.

Those who have Internet or Android devices can now watch 3ABN International without needing a satellite dish. That means our local programs can now be watched wherever there is an Internet signal. If you have family or friends who can use these devices but don't have a satellite system installed, you can now encourage them to watch 3ABN. The software for Apple's iOS is still to be released at the time of writing this newsletter, but is coming soon.

We pray that you will continue to be blessed by the programs on 3ABN, especially our local ones from 3ABN Australia. We have more new series on our recording schedule and hope to have some of these to air by the end of the year. Meanwhile, if you know anyone who has a testimony/ministry, which would be a spiritual encouragement to people around the world, please contact us with the details. Their story may be just what we are looking for. Thank you and God bless you.
