

## Newsletter – June 2016

We are producing a number of television series at the 3ABN Australia studios in Morisset. We would like to tell you about them in case you may not be aware of all our locally produced programs on 3ABN International.

### Locally Produced Programs

Every week, John and Rosemary Malkiewicz host *3ABN NOW*. This interview program features a variety of guests who share their testimonies on the goodness, providence and protection of God. Sometimes, other ministries are highlighted or a Pastor may expound on a Biblical subject. (LS & CU)

Pr Mike Browning hosts our weekly Sabbath School program *Let God Speak*. On each episode, two panel members join Pr Mike as they discuss the week's lesson. The panel members include Prs Neil Watts, Adrian Craig, Paul Geelan and Drs Allan Lindsay and John Hammond. Many people have said this is their favourite Sabbath School program and it is watched in many countries every week. (LS & CU)

*A Day With The King* is our children's program and is designed around the Sabbath. Each week the children sing, listen to stories and participate in a Bible Study time with Aunties Nat and Cecily who take them on a weekly journey through history in the Old Testament. Season 3 of this series is now airing on 3ABN International. There are also Daily Devotionals for children that go along with each week's Bible Study. They can be downloaded from [www.adaywiththeking.com](http://www.adaywiththeking.com). They will help your children establish a daily devotional and opening Sabbath worship habit and can be used by anyone who wants to learn more about Bible history. (LS & CU)

Margot Marshall hosts *Healthy Living* with Dr John Clark and Psychologist Jenifer Skues. This informative health series includes subjects such as the immune system, arthritis, stress, cancer, Alzheimer's and intelligence. Fact Sheets for each episode are available on the 3ABN Australia website. (LS & CU)

Graham Hood hosts *Recovery Road*. He is joined by his wife Michelle, and Dannielle Synot. This program, which follows the

Recovery Road workbook set, takes viewers through 12 steps to recovery from abuse, addictions, and related issues. The workbooks are available from 3ABN Australia and are designed to be used in group settings. The books and DVDs are an excellent resource for churches to use in the running of recovery programs within the church and local community. (LS & CU)

Also, over the years we have recorded a number of on location programs, including our longest running series *Focus On God's Word* (LS & CU), as well as many *On The Road* series, two seasons of Witness Conference, including *Move By His Power* (on 3ABN Proclaim!), and 3 seasons of AYC.

Recently we recorded a 6 part series on finances with Julian Archer. This is currently in postproduction and will begin airing on 3ABN later this year. We also have some other brand new programs lined up for filming during the second part of this year as well as new seasons of current series.

As well as TV we are producing Radio programs. Paul Kochanski hosts *Daily Insights*, a half hour program that includes music, short interviews and inspirational thoughts. This series has now been airing on 3ABN Radio Network for over 12 months. Dr Barry Harker produced *Life Learnings*, *The Bible Speaks*, *The Bible Teaches* and *Science Conversations*, while a number of people have been involved in making *Children's Story Hour* and *Book Readings*. The radio programs can be heard via our official Radio Affiliates across Australia and New Zealand or through streaming on the 3ABN Australia website. (LS)

We praise God that we are able to produce these programs, in Australia, to His glory. We are also grateful that they are available for viewing around the world via satellite and the Internet (online streaming, phone app and mySDATV). We thank those who have donated to make these programs possible. If you have not done so yet, ask God what He would have you give to financially support this ministry as we spread the Gospel around the world.

(LS – Live Streaming; CU – Catch Up. Both are available on the 3ABN Australia website.)
