

Newsletter – Summer 2016

Thank you from John Malkiewicz, General Manager of 3ABN Australia

On behalf of the staff and volunteers at 3ABN Australia I would like to thank all those who have sent in donations this year for your kind financial support of this work. As 3ABN Australia is a faith-based ministry that receives no funds from 3ABN USA or the SDA Church, we rely on donations from viewers and friends in Australia and New Zealand. God is our supreme Provider and He is the one who convicts and prompts people to partner with us in this work. We are grateful for what He has done through you so that programs can continue to be produced for His glory. We still have work to do in spreading the Gospel so that Jesus can come soon. Let's continue to work together in 2017 to hasten the coming of our Lord and Saviour, Jesus Christ, in the clouds of glory!

Departmental Report

A Day With the King

We are busy with preparations in readiness to film our children's program 'A Day With the King'. We are filming the fourth season at the end of January before the children go back to school. When completed we will have produced 52 episodes, which gives us a year of complete programming.

Dr John will be back with some faith building stories to encourage the children in their Christian journey. We have a new musician to take our singing segment as, after 39 episodes, Pastor Rick Ferret has chosen not to continue due to health issues. Braedan Entermann will take his place and we look forward to working with him. I'll be back in the lounge room with Auntie Cecily and the children and Teddy, of course.

So please pray for us as we finish preparations to film in less than 2 months' time.

Kind Regards,

Auntie Nat

3ABN Australia Comment

"We love the programs. We have 3 radios in our house and we listen to 3ABN all day long" – walk-in visitor from NSW

3ABN World Magazine

The 3ABN World magazine was first published in mid 2004. Since that time it has grown in size and been sent to homes around the world every month. Many of our viewers in Australia and New Zealand have enjoyed receiving and reading the colourful magazine full of encouraging stories and news.

Unfortunately, due to growing expenses and a continued financial downturn in the USA, the December 2016 issue of 3ABN World will be the last. From 2017 3ABN USA will produce a newsletter which will be posted out in North America only. We hope to be able to include relevant USA news in our newsletters so that we can keep you up to date with items that will impact 3ABN viewers here. So, keep reading our newsletters so you can be 'in the know' concerning 3ABN events and news.

A Word from the Assistant General Manager

In November we had visits from two groups of people. In the first group were almost 30 members of the SAN nurses graduating class of 1970. The second were over 60 members of a Solomon Island choir. We had a wonderful time with each group as we showed them around the building, gave them a chance to experience the Green Screen, answered many questions, and told some miracle stories and watched programs. An enjoyable time was had by all and we were blessed to be part of their itinerary. If you visit the Morisset area please drop in and say hello to us. We would be happy to give you a tour of the studios that God built (if we are not recording programs at the time).

We are currently investigating putting 3ABN on a satellite to reach the South Pacific nations. We will keep you informed of any progress. If it happens financial partners will be needed to help take the Gospel, through 3ABN, to that area.

We wish you all a happy and safe “holiday season”. If you are travelling during this time we wish you God’s speed. If you are hosting visitors and family we pray that you will have a very blessed time together. May God bless you and your loved ones in a very special way at this time. We are another year closer to Jesus’ coming! Thank you for partnering with us through your financial and prayer support during 2016.
