

Newsletter – Autumn 2017

We are delighted that donors in Australia are now able to join the **3ABN Go! Evangelistic Team**. If you would like to join the team you need to commit to donating a set amount to 3ABN Australia every month. To do this please contact Elizabeth on (02) 4973 3456 or mail@3abnaustralia.org.au. Let her know if you want to receive the monthly gift or will donate without receiving the gift. The gift could be a DVD, CD, book, etc., that will help you share the love of God with others. Either way you will receive a certificate from 3ABN USA along with Danny Shelton's book "The Blessing Is On The Go." Your donation will also help 3ABN Australia in the work of spreading the Gospel around the world, through 3ABN International TV Channel, and in Australia, New Zealand and PNG via 3ABN Australia Radio.

Departmental Report – Radio

The aim of Radio is to have people listen to our programs that proclaim the Everlasting Gospel anytime of the day, wherever they are and whatever they are doing. Currently we have over 80 low powered FM transmitters in Australia and New Zealand, but this is barely scratching the surface. As such we are praying (and solicit your prayers also) that God will help us expand our FM radio network. The good news is that we have just added Norfolk Island to our transmission on 88 FM.

If you have a Mobile Smartphone you can download our 3ABN App or the TuneIn Radio App and listen to us wherever you have mobile phone data coverage.

April is also an exciting month for radio as we are launching 3 new series of programs produced in our Morisset studios, these are:

Knowing God

These half hour programs are hosted by Pr Matt Tompson based on the Gospel of John. Some programs include discussions with Blake Penland on the Gospel.

You Shall Receive Power

This series of one hour programs are hosted by myself with special guest presenter Colin Hone who is the Prayer Coordinator for the NNSW Conference. The program is based on Acts 1:8 and works through Bible studies seeking for revival and the Baptism of the Holy Spirit to prepare for the soon return of Jesus.

By the Word of Their Testimony

These one hour programs share the Testimonies of people's conversion by way of interview. It is based on Revelation 12:11 which states that "They overcame him by the blood of the Lamb and the Word of their Testimony". Future programs in this series will also include people sharing the important aspects of prophecy and the judgment hour gospel that led to their conversion.

We will be launching more locally produced programs in May so please watch this space.

We also have a more active presence on Facebook with daily posts of feature programs and devotional thoughts during weekdays. Please "like" our page and share our content to help extend our reach and spread the Everlasting Gospel as we all work together in preparing the world for Jesus soon return.

We would like to keep you updated with Radio happenings via email. If you would like to receive our Radio e-Newsletter please let me know.

Satellite Dish Evangelism

Have you tried this terrific idea? Pr Geoff Youlden offers community people who are baptised, a satellite dish for 3 months to enjoy Christian television. He then asks them if they would like to take it on permanently and most of them do. If they don't, it is taken down and passed on to someone else. He plans to continue this offer.

Thus, after people have been exposed to the good news of the Gospel, they continue to learn more about the Bible as they view Christian programs. It will also give them a sense of belonging to a large community of believers.

Pr Youlden says, "I don't think I could give to new Christians a better gift than a free Christian satellite dish. We encourage those who already have satellite dishes to financially support this program so we can help spread this opportunity to many more."

A Word from the Assistant to the General Manager

We are already into the third month of this year! Time goes by so quickly these days. We have much to do this year to hasten the 2nd coming of Jesus Christ and many plans to put into place. Already God is opening amazing doors that will enable us to take the Gospel, through 3ABN, to many more people than we can currently reach, both here in Australia and around the world. In the next few months we will be revealing these exciting movements. I am sure you will be as excited as we are.

Pr Jim Gilley is conducting yet another tour to Israel. There are two dates in November – 12 to 20 and 19 to 27. For the price the latter tour is the best. After that tour of Israel there is a post tour extension to Petra for those who have the finances to include that extra tour. Please contact me at 3ABN Australia for the Land Only brochure and other information. We will be happy to post or email the brochure to you. This is a life changing tour. I can say that from personal experience.

We will have two members of our staff attending the NNSW Camp Meeting’s Super Sunday event this year. They will be happy to have you visit them. They will also have some products for sale. John and I will be attending the Victorian Camp meeting over Easter and are happy to take products with us if they are ordered and paid for by April 6. For those in South Queensland, we have not been granted a booth in the Expo Hall again this year. But we still hope to visit SQ during camp time.

If you find yourself in the Morisset/Cooranbong area please make sure you come and visit with us at the studio. We love having visitors. God bless you.
