

Newsletter – Summer 2017/18

As we come to the close of 2017 we praise God that we can look back on a year of progress at 3ABN Australia. We have been blessed with several larger donations and have utilised these funds to commence broadcasting on the Australian governments' VAST system, to install solar power and to replace key audio equipment in the radio and TV control rooms. Our video wall in studio B is now fully functional and is proving to be a great benefit both in our efficiency and in the quality of programs that we produce. These blessings mean that we can reach further with the good news! God is indeed good. We encourage you to come by and see what God is doing here at 3ABN Australia.

Departmental Report – Healthy Living God's Miracles (also known as 'lifestyle medicine')

"God's miracles do not always bear the outward semblance of miracles. . . Natural means, used in accordance with God's will, bring about supernatural results." Selected Messages Vol.2, p.346

Similarly, the US Surgeon (2005), said that our lifestyle choices account for 70% of our health status – 7 times as much as medical care, which he put at just 10%?

The Royal Australian College of General Practitioners puts it even higher: "75% of premature deaths in Australian men are determined by what are called modifiable risk factors; that is, the things that each man can do something about."

In order to share the potency of our daily choices, Dr John Clark walked away from orthopaedic surgery to dedicate himself to lifestyle medicine. Be inspired to achieve supernatural results in his new series commencing Monday 29 January.

On April 22 and 23, 2018 Dr Darren Morton (who is also passionate about the emerging field of lifestyle medicine) will be sharing from his newly released book and online course, *Live More: Happy*, scientifically proven ways to lift your mood and improve your life.

Be sure to watch these inspiring *Healthy Living* episodes!

Healthy Living is screened at 8pm Mondays and replayed at 2am Wednesdays and 12 noon Thursdays AEDT.

Testimonies from our viewers and listeners

Linda phoned from the QLD outback wanting to have 3ABN installed. Since she had satellite television I asked her to go turn it on to channel 603 and tell me what comes on. When she came back to the phone she exclaimed, "Oh you are kidding! I should have phoned you months ago!" She was just so delighted to have 3ABN right there on her television screen!

Trevor phoned from NSW and said they've had satellite television for over three years, but recently found 3ABN [on channel 603]. "We have sore eyes from watching it," he said. "We are absolutely intrigued with it!" He is telling his friends about 3ABN. The next day he phoned and said he was watching a program on the second coming and it was "really good," and he "couldn't stop looking at it." He ordered two copies of the program.

"I am a daily listener of 3ABN and enjoy it very much."
Letter from NSW

Stan emailed about a program he heard on Revelation 20: "It's the first time I have listened to that station. It has very interesting topics and programs."

Arthur emailed from South Africa: "I have found the way you teach to be very useful especially considering that I teach a Sabbath School class. So going through the lesson helps me understand the lesson even better."

A Word from the Assistant to the General Manager

John and I have just returned from Pr Jim Gilley's tour of Israel. Although most of the tour members were from the USA, there were 14 of us from Australia. If you are interested in receiving information concerning the proposed 2018 tour please let me know so I can send it to you when it becomes available early in the new year. After being to Israel the Bible people, events and places will become more real to you.

It is a blessing for us to be able to interview so many interesting people on the 3ABN NOW program. Everyone has a story and viewers frequently tell us how much they appreciate the testimonies and other discussions we have with our guests. Last month we were very blessed to be able to interview Elder Ted and Nancy Wilson while they were in Australia. They are truly a gentle, humble couple who are an inspiration. Their interview will air the week of December 17 so make sure you watch it! Elder Wilson has put 3 photos onto his Facebook page. If you are on Facebook you can access, like and share the photos and post at goo.gl/86EXCp.

God bless you and thank you for your continued support of 3ABN Australia through your prayers and financial help. We really appreciate you.
