### A Word Of Thanks From The General Manager

2018 is quickly coming to an end and I want to praise God as we have celebrated 15 years since we officially commenced. Thank you for keeping 3ABN Australia in your daily prayers. Thank you for faithfully supporting the work of 3ABN Australia, enabling us to take the wonderful Bible truths about God, Jesus, salvation, and eternal life into the homes of millions, 24/7, here and around the world.

In answer to prayer for increased viewership, in 2017, God opened the way for 3ABN to be available on VAST channel 603 via satellite, alongside ABC, SBS and the commercial channels around Australia. At that time there were 300,000+ VAST homes having access to 3ABN (not to mention the thousands already watching on Optus D2 in AU, NZ and PNG). What is exciting about VAST is that it is growing by 500 to 800 homes each week, showing the **undiluted Three Angel's Messages, 24/7**, to many new homes. I ask for your support in keeping the wonderful, much needed Word of God before the people in Australia, New Zealand, PNG, and the world at large via the Internet.

This year, 3ABN Australia held a very successful Homecoming program at Avondale Memorial Church. Our presenters, from 3ABN USA and Australia, spoke on "KNOWING GOD". It was very encouraging to hear how blessed people felt and many asked about a similar program in 2019.

Recently I was asked how we are doing. To be perfectly honest, our donations are at a low level but my response remains, "while God provides, the doors are open." Each day at 12:20 pm, the staff at 3ABN Australia stop to pray, thanking God and asking Him to provide the needed funds to keep the doors open. We ask God to bless those who donate to this ministry and those who help in various ways. Please join us in prayer, in your homes or workplace, at 12:20 pm each week day.

As I look at the world around us, I sense we need to be doing more, especially for our children and youth. We have a facility to produce new programs but, to do this, we need people and means. If you have either, we want to hear from you. We have eight dedicated and willing staff members who work in many capacities, but we need additional brain and manpower. As the General Manager, I want to be

praising God as people rally to help us do more, preparing our children, youth, and others to know Him and be ready for Jesus' return. I find peace in Proverbs 3:5, 6: "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him and He shall direct thy paths".

With all that is happening around us, and as informed Bible students knowing time is short, please make an earnest effort to:

Thank you for all you do for the cause of God.

#### 3ABN Australia Holiday Dates

3ABN Australia will be closed from Monday, 24<sup>th</sup> December until Tuesday 1<sup>st</sup> January 2018.

## Homecoming

The 3ABN Australia Homecoming at Avondale Memorial Church, and the Rally in Launceston, both in October, 2018, were a real blessing to those who attended. With 13 sermons (7 in Launceston), two concerts (one in Launceston), congregational singing with Tim Parton, and the Opening and Closing programs, there was a bounty of spiritual food. The Holy Spirit was certainly present with us all and the speakers presented precious sermons on the topic of "Knowing God". Many people have expressed their appreciation and requested that we have another Homecoming in Australia. Some said they had withdrawals after the Homecoming was over. One person told us it was the best weekend of his life!

The programs have now been aired on 3ABN International and will soon be available for purchase as a set or by individual programs. The series will air again in the near future.

We plan to have another Homecoming next year and we will give you more information in future newsletters.

## A Word from the Assistant to the General Manager

Over the last 16 years we have received reports of people who have been baptised in Australia and New Zealand due to 3ABN TV or Radio. Let me tell you about a few stories we know.

One man in South Australia who began watching 3ABN wrote to us to say "at last the fence posts are lining up". He was baptised because of the truth he was learning on 3ABN.

In Western Australia, a local SDA church member had made contact with a Dutch lady and asked us to install a satellite dish in her home. We got to know her and visited a few times. She started attending church and was baptised. She said it was because of the truth that she learnt through 3ABN that she was baptised.

Howard, in Tasmania, listened to 3ABN Radio in his area and contacted us about the truths he was hearing. It took many years of listening before he made up his mind to be baptised, but he finally took that step in December 2016. What a precious soul he is!

Many years ago John installed a system for a friend of ours who had it cabled to his non-Christian neighbour's home. That neighbour enjoyed watching 3ABN and has now been baptised and is influencing HER neighbour and friends to watch 3ABN.

These are just a few that we know of. We have been told of many who are now attending the SDA church because of 3ABN. Some have joined God's Remnant Church through 3ABN. Others, who had left the SDA Church have come back after watching 3ABN. If you, or someone you know, was influenced to be baptised through 3ABN TV or Radio, we'd love to hear the story. Maybe it would make a good 3ABN NOW interview! Let us know.
