3ABN Australia at NSW Conference Camp and NSW Grey Nomads Camp

We look forward to being at the NSW Conference Camp Meetings in April and May and seeing many of you there. Make sure you come and see us in the 3ABN Australia marquee on Super Sunday where we will have **super specials!**

Departmental Report - Radio

We praise God that He has blessed 3ABN with the medium of radio to share the everlasting gospel around the world through FM and AM in Australia and New Zealand, and via our live stream and the on-demand section of our website. Did you know you can also listen via our 3ABN App?

We continue to receive feedback from our listeners and are encouraged by their testimonies of how 3ABN Australia Radio is a blessing in their lives. We have people from all walks of life tuning in and sometimes asking us about the importance of specific Bible teachings like the Sabbath. I was speaking to a pastor from another denomination recently who told me how he was listening to a 3ABN Radio broadcast and it was so good. He took notes and decided to preach that message at his church on the following Sunday.

We have added new Australian programs to our line-up for our FM/AM Radio broadcast. These are:

- Go Teach all Nations
- Spiritual Thoughts
- 2018 3ABN Australia Homecoming Sermons

We are also working on a number of new programs which will be released for broadcast later this year. These programs will be themed around Bible Study 101, The Book of Revelation, The importance of representing Christ and Christian Character development and also a music program spotlighting CDs that you can purchase here at 3ABN's Resource Centre.

Since adding the on-demand function to our website last year we have seen much interest in listening to our Radio programs via the Internet with hundreds listening to our programs at the times which are convenient to them. On-demand is especially helpful if you have missed a program, or part of it, and would like to hear it again.

We broadcast 24/7 and our growing list of on-demand programs are available at all times on our website.

Please continue to pray for the advancement of God's end-time message through 3ABN Australia Radio.

3ABN Kids Network Update

Brenda Walsh served as 3ABN Kids Network General Manager for the last several years. In June, 2018, she approached 3ABN's Board of Directors about separating from 3ABN so she could pursue a children's studio in the Tennessee area. At the end of December, 2018, Brenda Walsh Ministries and 3ABN separated. Francine Bergmann has stepped into that role, and we are excited about the new programs that will be produced, and the gospel message that will go out around the world for children. 3ABN believes that the children and youth have a special place in God's work, and we want to do everything we can to encourage young people to make a choice to follow Him, and then equip them for service. Thank you for your prayers and financial support for this ministry as we endeavor to reach even more souls for His kingdom!

3ABN Australia Staff Travels

John and Rosemary Malkiewycz look forward to seeing you at the NSW Big Camp, 19-21 April, and NSW Grey Nomads Camp, 10-12 May 2019.

Look for our GREAT BUYS at the 3ABN Australia SUPER SUNDAY marquee, 21st April and 12th May, 2019!

A Word from the Assistant to the General Manager

We have been blessed to start the year by recording new episodes of *Healthy Living*. Dr Coralia Jigau from Victoria brought some of her patients here to share their testimonies. It is wonderful hearing and seeing how following God's health principles restored these patients to health! I can't wait for these programs to air so you can watch them and share this information with your loved ones!

3ABN Australia Homecoming 2019

We are planning another 3ABN Australia Homecoming commencing Friday evening, 11th October and ending Sunday midday 13th October at the Wahroonga Seventh-day Adventist Church. Plan to attend, bring your friends, and be blessed by inspirational speakers and uplifting musicians from Australia. Keep an eye out for more details.

New Program Ideas

God has presented us with ideas for new TV programs, which we have in the pipeline for recording this year. There is one for children (of all ages), which would be filmed at different locations, another for young people, a new health series, and one based on the Bible. Please pray for God's leading and guidance for the production of these new programs as we go forward in faith. We want people around the world to be blessed by them.

3ABN Australia programs on other networks

Two of our Australian series are now airing on 3ABN English across North America. They are "A Day With the King" and our "3ABN Australia Homecoming". 3ABN USA Management decided that the Homecoming, recorded at Avondale Memorial Church last October, was so good that the whole world should be able to watch the programs via TV, as well as the Internet. It was previously thought to keep "A Day With the King" only on 3ABN International and Kids TV. But now that it is on 3ABN English, we have already heard from someone in California who took the time to write to say they are enjoying the series.

Thank you for praying for this ministry and for your financial support. Together we are spreading the gospel to the world, helping people in practical ways live healthier and happier lives, and prepare for Jesus' coming! Please continue to support us as we move forward in faith, to reach more people with the Gospel through new programming.
