Report from the Assistant to the General Manager, 3ABN Australia

This is a busy time as we gear up to end of year programs and events. With our **2019 Homecoming** less than a month away we are working hard to prepare for it. Speakers are organised, musicians are being finalized, production is working on the logistical side of things with equipment.

We look forward to having many of you join us in person for this event. We will also have products for sale and musicians will also have a chance to sell their CDs. We will have an expense offering taken on the Saturday evening.

3ABN Rallies in Western Australia

Bunbury and Bickley Seventh-day Adventist churches in Western Australia have teamed up to present 3ABN Rallies with Pr John Lomacang and Tim Parton. John and I will be there too. There will be five sermons and a concert at Bunbury (November 20-23) and two sermons and a concert at Bickley (November 24–26). Check our website for more information.

Gunnedah Field Day

Last month John and I had a booth for 3ABN Australia at the three day Gunnedah Field Day. It was interesting to be at a secular event. Many people said they were happy that we brought a Christian presence. Some of the people we spoke with have watched 3ABN on satellite and recognised us from our program “3ABN NOW”. We were able to give away many books – 500 ‘Pillars Of The Christian Faith’, a box of “The Path To Peace” (“Steps to Christ”, and other EG White books.

New Series

Our new series “People Just Like Us” has begun airing on 3ABN International this month. In this

series Pr Geoff Youlden and I discuss different Bible characters. We are also preparing two other new series in the near future, so stay tuned!

Testimonies from Our Viewers and Listeners

Radio listener: I heard a minister speaking about hell and eternity on the radio. It wasn’t what you usually hear. I would like to listen to it again and look up the Bible verses that were given.

Radio listener from WA: Kaysie Butler’s Daily Insights are fantastic!

Phone call from WA: I was most impressed with the 3ABN program Healthy Living with Dr Pennington.

Faith Stream

With faster internet speeds and higher data limits available in Australia, media installer Marko Vrancic saw the need to move to internet-based TV (instead of satellite) to provide more viewing options for Christian channels. As viewers no longer need to spend \$400-500 for a satellite system, it also proves more affordable. When people purchase a FaithStream box and connect it to their existing WiFi system, they receive instant access to over 250 Christian TV and radio channels. By visiting www.faithstream.tv/3abn, you can order a FaithStream box and receive 20% off the regular price!

We are excited to learn that, of all the Christian channels on FaithStream, 3ABN is their most watched Christian network. Since FaithStream started in June 2018 through to August 31 2019, 3ABN International was watched more than 7,542 times. This is more than double that of the next most watched TV network on FaithStream. 3ABN, as a network encompassing all 3ABN TV and Radio channels, has been viewed 23,589 times in that same period. We are excited to learn that 3ABN is the most watched Christian network on FaithStream. Praise God!
