Report from the Assistant to the General Manager, 3ABN Australia

This year is almost over and we praise God that He has seen us safely through another year with our doors open and programs still being produced at the 3ABN Australia studios.

3ABN Australia Homecoming 2019

The last two months have been very busy for 3ABN Australia. Our Homecoming 2019 was held in Wahroonga SDA Church during the second weekend of October. The sermons were very good, as was the concert on the Saturday night. It was good to have people from interstate attend, including a viewer all the way from Norfolk Island just for the Homecoming.

The programs are about to air on 3ABN International Channel, then they will be available for sale and will air on a weekly basis as a series. Phone 3ABN Australia for the air times.

New Series “Evolution Impossible” Recorded

In early November we recorded a new series with Dr Sven Östring and Dr John Ashton which covered the topic of John’s book “Evolution Impossible”. Three young adults also participated in each program by asking questions on the topics discussed. Look out for it as we plan to have it airing early in the new year. The

series turned out better than we expected. It will be a valuable resource to help our young people keep their faith in a secular world. It will also arm them with knowledge that they can pass on to others who have been brought up to accept evolution as truth. Keep an eye on our Facebook page to find out when it will air.

3ABN Rallies in Western Australia

John and I have been in Western Australia for the 3ABN Rallies at Bunbury and Bickley churches. Pr John and Angela Lomacang came with Tim Parton. Pr John spoke five times at Bunbury and a concert was held on Saturday night. In Bickley, there was a concert on Sunday night and Pr John spoke on the Monday and Tuesday nights. Everyone who attended was blessed by his preaching and by the music presented by him and Tim Parton.

We are grateful for each one who came to the meetings and for their show of support for 3ABN. They all enjoyed meeting Pr John, Angela and Tim. John and I also enjoyed seeing many ‘old’ friends while we were at the churches. To see them again after many years is like a foretaste of heaven. I was also able to visit my mother who just turned 95! It was great to be able to see her too.

Feedback and Suggestions

We receive a lot of feedback from viewers concerning our 3ABN NOW interviews and it is a blessing to find out just how many people enjoy it every week. If you, or someone you know, has a special ministry or testimony that would be appropriate to share on 3ABN NOW, please let us know. We do reserve the right to evaluate all suggestions for suitability for the program before proceeding with any arrangements for an interview. As any appearance on 3ABN NOW is voluntary, all expenses incurred to be on a program are the responsibility of the guest(s).

We wish you seasons greetings and a happy 2020. Jesus’ return is another year closer than it was at the beginning of 2019. Let’s work together to finish spreading the gospel so that Jesus can return soon! God bless you.

Feedback from 3ABN Australia Homecoming

“I really enjoyed the 3ABN Homecoming meetings at Wahroonga and will look forward to hearing them again when they are on the TV. It was a lot of work for those involved, but well worth the effort. God bless you all.” - Noela

“I want to thank you all for the large personal input everyone made this weekend to make this Homecoming a deeply spiritual event. I was personally very enriched in my walk with the Lord.” – Mike

“‘Thank You’ for the time and effort you put in to making last weekend such a fantastic success and inspiration! John, you made the topic of death come alive and presented in a very interesting manner. I very much enjoyed Justin's topic too—what a talented young preacher he is! So glad you included him on the program. Geoff's presentations were right on track and presented with passion and enthusiasm as always. The REDEEMED group were so professional and had such beautiful harmony. They were not only good singers, but their spirituality shone through as well. Thank you, it was such a blessing!” – Meryl and Allan
