

3ABN Australia Newsletter – Summer 2021

Report from the Executive Director

Dear 3ABN Australia Family,

Here we are at the end of 2021. I am sure you are looking forward to some sort of normality, and to spending special time with your family and friends, especially after all that has happened through the year with COVID-19.

I want to praise God for sustaining us again this year. We have been able to continue producing programs, as well as keeping the TV and Radio signals on air—with a growing audience. We see prophecies that point to Jesus' soon return fulfilling before our very eyes.

We need to consider the events foretold in Scripture just prior to Jesus return, and make preparation now. The devil would want you to think nothing is going to happen and that everything is *normal*. What we are witnessing is *not normal*. Right now we need to be examining our lives, repenting, and turning to God with all our heart, soul, mind and strength.

3ABN Australia is committed to proclaiming the three angels messages, to be a light that will shine brighter as darkness begins to engulf the earth. We want to help men, women and children everywhere to know and accept Jesus as their Saviour.

Please join us in prayer as we petition God to guide us in the year ahead. Maranatha.

John Malkiewicz

Encouragement & Love

INTERLESS in Papua New Guinea

Andrew Opis, Director Stewardship

Department PNGUM emailed, "These boxes are working miracles here. People like it so much. It's like having a television set in the house, with no connection to the outside world with the standard TV installations, but this one is doing wonders. Many are requesting [these boxes], but I want to install [them] in prison and hospitals, where it will make a difference to many souls, at one time, over many years." Partner with us and be a blessing to our South Pacific Island families.

Maralyn emailed expressing her appreciation for the messages on 3ABN Australia. She ordered Dr Allan Lindsay's series *God's Last Message*. Her husband was baptised a year ago and loves the messages given by Dr Allan Lindsay, Pr Geoff Youlden, and Pr Danny Milenkov. Their messages impacted him and helped lead him to make a decision for baptism. Praise the Lord!

Bronwyn phoned and said she is not a Seventh-day Adventist, but loves watching 3ABN. She does not have a local Seventh-day Adventist church, but contacted her closest one and they post her the Sabbath School pamphlet and she studies along with that. More than a year ago she stumbled upon 3ABN Australia on VAST channel 603 (satellite television). She said, "I tell everyone about your channel! I watch a lot in the day, and I often wake in the night and watch again until I fall back to sleep. I have learnt so much! Your channel is such a blessing. Kindest thoughts and many thanks again."

NEW Survival Handbook for Teachers and Parents

Dr Allen Sontner

“This little gem of a book is born of vast experience and a passion that has long pursued the best in Christian education... I recommend these reflections... from an unashamedly Christian viewpoint. Allen’s purpose goes far beyond pedagogy by revealing a passion for the salvation of children for Christ, and to inspire teachers present and future. If only the world could appreciate the real importance that must be placed on the education of children.”

A Word From the Associate Director

As we come to the end of another year—one that was like no other in my lifetime—I would like to thank all those who took the time to write or phone us this year with their encouraging comments. It is a huge blessing to all the staff when someone contacts us to say how much they are enjoying 3ABN, and our Australian programs in particular. Knowing that others are being blessed by what we do lifts our spirits. And for each person who calls or writes, we know there are many more who feel the same yet don’t tell us. I am amazed by how many people from other denominations tell us they are enjoying 3ABN. So, if you are ever impressed by the Holy Spirit to call or write with your encouraging thoughts, please do so. They may be just what we are needing to hear.

Just recently, John had reason to contact someone from a publication by another denomination. He spoke to her about 3ABN and suggested she look up our website. A short time later she sent John an email saying, “I just googled your organisation and I didn’t know the name however, I recognised it straight away because my husband has mentioned the INTERLESS to me before. What a cool product and a great thing to advertise coming up to the Christmas season!” How about that! It’s great to know that God is leading many people to 3ABN.

Thank you also to those who help us to produce programs and stay on air through your financial gifts. You are partnering with us in a work that will have eternal consequences, souls *will* be saved by Jesus because you have given to this ministry. Please keep us in your prayers as we plan programs for 2022 to reach more people with the Gospel.
