

## 3ABN Australia Newsletter – Winter 2023

### 3ABN Australia Radio

Over the last year, 3ABN Australia Radio has been able to air many new programs, and publish new podcasts from a combination of in-studio and out-of-studio recordings.

Speaking of radio and podcasts, a 2022 report from Infinite Dial Australia showed approximately 86% of Australians listen to live radio or catch-up radio podcasts regularly. Here are some other interesting statistics from this same 2022 report:

- Australians downloaded 755 million podcasts
- Australia is said to be the biggest podcast listening country in the world, reporting that 40% of the people have listened to a podcast in the last month. This is followed by the USA, which ranks at 37% for the same statistic.
- 26% of Australians are weekly podcast listeners and they average just over 7 hours per week of listening time.

3ABN Australia Radio currently has 47 different podcast programs on offer, which have reached a total of 216 countries. The number of podcasts being downloaded are steadily growing. One month recently accumulated just under 25,000 downloads.

### Encouragement and Love

*Gail* from South Africa emailed: "I do enjoy your program and many others on 3ABN through internet. I am not close to an English Adventist Church so every Sabbath I tune in for my spiritual wellbeing. What a blessing this has been for me. My situation is a difficult one as my husband of 50 years this October does not share the Sabbath with me, but I know that God has a plan for my family. Please keep me in your prayers."

### A Word from the Associate Director

On April 7, 2013, the 3ABN Australia Production Centre, Morisset, was officially opened by Moses Primo from 3ABN USA. Also from 3ABN USA were Moses' wife, Adima, and JD and Shelley Quinn. It was a memorable day for all who attended the Thanksgiving Program at Avondale Memorial Church and the Open Day at the studios in the afternoon.

To celebrate the 10th anniversary on April 7, 2023, we held a special 7:00am breakfast at the studio for current staff and volunteers, with their families. With some of the staff providing the food, everyone had an enjoyable time of fellowship. We praised God as we remembered what He has done in this building, and for 3ABN Australia, over the last ten years.

After the meal, we gathered in Studio B to sing hymns, and Pr Mike Browning provided a morning devotional, before our guests departed and the staff began work for the day. Everyone enjoyed the morning together and wanted to do it again some time.

We thank God for what He has done in this building over the last ten years. We are grateful for the opportunity to work for Him in this everchanging area of ministry. We appreciate hearing from those of you who contact us to say you are blessed by our programs. We also thank our donors in Australia and New Zealand. You are part of God's ministry to a lost and dying world as you keep 3ABN on the air in Australia and New Zealand. You make it possible for us to continue to produce more programming. Thank you!
