

3ABN Australia Newsletter – Spring 2023

Report from the Associate Director

This year we have had 3 major anniversaries for 3ABN Australia, and we would like to share them with you. On August 26, 3ABN Australia officially turned 20 years old! It is amazing to look back and see how God has sustained this faith ministry for so long.

As a family, we returned to Australia in December 2001, after being missionaries. We watched 3ABN while living overseas. We were then led into installing satellite dishes so people could be blessed by having 3ABN in their homes in Australia. Then 3ABN asked us to start 3ABN Australia on their behalf.

We were now on a road with many steep learning curves. We had no background in satellites or media, or producing TV and Radio programs, but as we went forward God opened the way and, since that time, we have witnessed many miracles.

Many things, including more miracles, have happened over the years, including the miracles we witnessed in building the Production Centre in Morisset. By the faithful donations of viewers in Australia and New Zealand, this building was completed debt free. That's another of our special anniversaries this year. This facility was officially opened by Moses Primo on April 7, 2013—10 years ago this year.

That led to our third major anniversary in 2023. We had a Production Centre, but we had to start making Television programs. God arranged that for us as well. Rajendra Gautam, from 3 Angels Nepal, was visiting the area and it was arranged for us to interview him. So, a couple of days later we conducted our first interview, and 3ABN Now was born. We had a lot to do in two days to organise this first program, so we took no notice of the date until a few days later. Suddenly, I realised that it was recorded on August 26, 2013—the day of 3ABN Australia's 10th anniversary. So, the 3ABN Now series has just turned 10 years old.

It amazes me how quickly these 10 years have gone by. We have recorded almost 400 episodes in that

time. Many people reading this will have been guests on this program. We thank you very much for sharing your stories, books, experiences, etc., with us and our viewers. You have enriched our lives as you have told us of the way God has blessed you and used you to bless others. Also, we celebrated the 9th anniversary, on September 13, for 3ABN Australia Radio's local broadcasts.

Many have still not heard of Jesus. So we need to keep making appropriate programs for Satellite, Radio and the Internet, to reach as many as possible with God's truth—while there is yet time.

Have you been blessed by the work of 3ABN Australia over the last 20 years? Please consider what you can do to help this faith ministry to continue God's work in media—while we can still speak the truth. The time is coming when we will no longer be able to proclaim Bible truth. We need to get the message out while the door is still open. Thank you for whatever support you can give to 3ABN Australia.
